

Philip Blancato

Chief Market Strategist

Philip Blancato is Chief Market Strategist at Osaic, one of the nation's largest providers of wealth management solutions, President and CEO of Ladenburg Thalmann Asset Management, and Chairman of the Ladenburg Investment Policy Committee.

Career Summary

As a financial services industry veteran of over 30 years, Philip possesses a specialized knowledge of portfolio and risk management, asset allocation, macroeconomic theory, and constructing and implementing seamlessly integrated platforms of fee-based solutions. Before Ladenburg Thalmann and Osaic, Philip was Managing Director of Advisory Services at PowellJohnson, where he directed the creation and implementation of a suite of fee-based platforms. He also worked for Prudential Securities where he held various positions within the Investment Management Services division before becoming First Vice President and Director of Portfolio Management Programs. During his tenure, Portfolio Management became one of the most successful divisions within Prudential Securities, with assets in excess of \$16 billion.

Philip regularly appears in national media outlets including the Wall Street Journal, Reuters, CNBC, and Fox Business, and speaks at industry events.

He has a Bachelor of Science in Finance from Kean University, and a Marketing Continuing Education degree from New York University. Philip is also an Accredited Investment Fiduciary and has completed the Securities Industry Association accredited program at Wharton Business School.
