

**Kylie Cagle**

Registered Principal

Kylie is an OSJ and Investment Advisor Representative. She oversees case design and product research for a number of advisors. She also assists with technology integration and overall office management. Kylie graduated from the University of Wisconsin, Madison in 2002 with a degree in Communications.

## Kylie's recommendations when using the OneHub platform

### ✓ Simple, Responsive Design

Kylie reflects on her favorite features of the OneHub platform, and believes the look and feel of the platform, along with user experience is important when using a new technology platform.

OneHub offers a responsive layout that is mobile-friendly and allows for a positive user experience no matter what device you are on.

"Using a digital platform that has a consistent design and flow no matter the device is important for a positive user experience. OneHub does just that."

### ✓ Quick Access to "Top-Apps"

As a frequent user of OneHub, Kylie actively searches for new ways to make her online experience seamless and simplified.

Kylie would recommend utilizing the app categorization feature on OneHub to pin your most used apps conveniently on your homepage.

"One of my favorite aspects about OneHub is that I can organize my top-apps right on my homepage. As soon as I log in, I have my applications listed in an efficient and easy-to-use way."

### Why should you use OneHub?

"As an OSJ, I value efficient technology and digital platforms like OneHub. If you have any constructive comments, I encourage you to utilize the Feedback button on the homepage."
