How to Sign Up for #TeamOsaic: Three Options

With an Osaic Site Team | At Your Own Local Walk | Virtually

Osaic financial professionals & their staff, home office employees, and families and friends are all invited to participate as part of #TeamOsaic in any of the October awareness and fundraising walks hosted by the American Cancer Society (ACS), as part of its annual “Make Strides for Breast Cancer” walk-a-thons across the country and virtually.

The Osaic Foundation will contribute a **\$10,000** grant to ACS in honor of all #TeamOsaic participants. Come and get to know your colleagues better while raising funds for ACS.

To participate on #TeamOsaic, you must register at our special Registration Page on the American Cancer Society website:

SEE NEXT PAGES

Option One: To Register with an Osaic Site Team

1. At the main link above, click on “**View All Teams.**” This lists all of our office site locations where we have teams forming, and their walk location. Here is a sample of what you will see.
2. Scroll the list of Teams page until you find the site you wish to register with, and CLICK ON THE NAME OF THE TEAM – NOT the “Join or Donate” button.

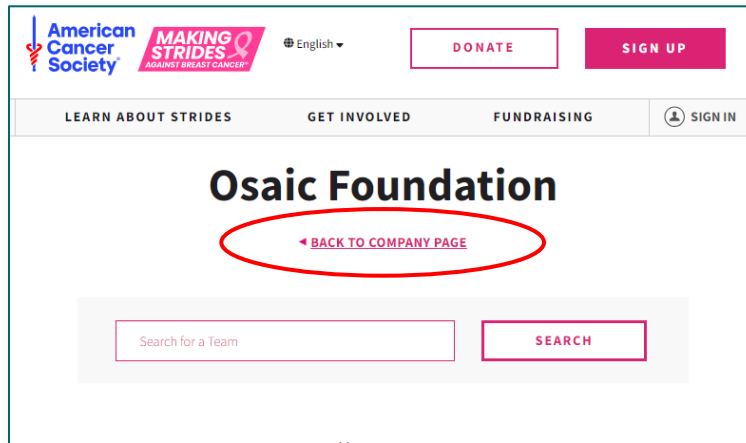

3. This will bring up the site's page which has all the detail you need (scroll down through it) including the event location for that site.

4. From this page, follow the prompts to register, or simply donate towards that's team's total. Note that you are NOT required to fundraise in order to participate, but you must formally register for the event to participate in the walk.

Option Two: To Register at Your Own Local Walk, if you are not near an Osaic site

1. At the main link above, look for this link “Back to Company Page”

2. On the company page, look for this box and type in your zip code:

To the right of the input field is a pink button labeled 'GO'. Below the input field and button is a link that says 'See All Events'.

3. You will be presented with your local options, if any (sample below). Click on Sign Up box.
